

Grace Green Scarf

by: Girlie D. de los Reyes of [Girlie's Crochet](http://www.GirliesCrochet.com)

This Grace Green Scarf is a light and convenient scarf to carry around with you that can warm you up on those cool days without being cumbersome and a nice accessory for an evening out.

An ideal scarf for St. Patrick's Day to warm you up.

Perfect for watching the St. Patrick's Day parade even in the windy areas and cold spots.

Size: 10" x 55"

I used 3 strands of super fine yarn and a big hook to create a lacy look. The yarn I used was purchased at a yard sale so it is hard for me to determine the brand. By using the gauge indicated in this pattern, the ideal yarn can be determined for this pattern.
